EDUCATION

International Institute of Information Technology
B.E., Computer Engineering

PROJECTS

To-Do List
Built a fully fledged website for dynamically creating To-Do Lists for daily tasks. User can create new List, add items to the list and remove them after the task is done.

🔗 https://t0-d0-1ist.herokuapp.com/

News Letter Signup Page
Made a news letter signup page for users to signup to receive a newsletter in their mailbox from a website or a company. News letters can be daily, weekly or monthly.

Blog Site
Made a website for reading blogs and posting your new blogs. Users can compose their new blogs and add them to the home page.
